Good morning Jim,

Since it is difficult to predict how long you will need to be at Court I would suggest parking in the Crowne Plaza parking garage. It is located on West Street in Pittsfield about two blocks west of the Court complex.

Hi Fred,

We are having a problem finding parking for court on Wendell Street because winter parking allows only parking on one side. All other area streets only allow 1 hour parking, one of our chemist's found out the hard way with a parking ticket 1/6/10. Is there a near by parking area we could use to avoid tickets?

Thanks
